Jack Lentz and Mike Morrisroe of Warren are the owners of Last Call Services, a Warren-based service that will arrange for drivers and their vehicles to get you home safely from parties or other gatherings in Macomb, Oakland and Wayne counties.

## Getting you and your car home safely

This is a busy time of year with lots of things to plan and do related to the holidays, from shopping to decorating the tree.

Those planning on attending of-fice parties or family get-togethers to celebrate the holidays may want to add just one more item to their to-do list and arrange for Last Call Services, Inc., based in Warren, to make sure that they and their vehicles get home safely.

Not like a traditional taxi serv-

ice, Last Call Services has several chauffeurs on hand and will send two associates to your location. One will drive the client home in their vehicle and the other will follow in the company car. They operate from 7 p.m. to 3 a.m. seven days a week or by appointment covering Macomb, Oakland and Wayne counties. Pick ups are confidential and pricing is based on miles traveled.

Calls can be scheduled ahead of

time for private gatherings or special pick up times, and they can also be called as service is needed for those who discover they need the assistance to get home safely.

They are fully insured. Those who want the service for their New Year's Eve festivities should consider booking early and those who book a pick up before Dec. 22 will receive \$5 off the service. To book a pick up or for more information, call (586) 552-8989.
